

## Sayyid Al-Hakeem discusses the political scene, stresses ending current political crises with Al-Halbusi

Sayyid Al-Hakeem, head of the National State Powers Alliance, received Taqadum's delegation, headed by Mr. Mohammed Al-Halbusi today's afternoon, December 12, 2021, and discussed the developments of the political scene and the ways to alleviate the current political crisis and what the political powers must do to end it.

His Eminence affirmed that this crisis is solvable if everyone had the culture of abdicating for Iraq and favoring public interest over personal and finding a middle ground. This is no exception from previous crises Iraq has undergone. H.E. also affirmed the necessity of preserving the country's balance and at all levels.

his Eminence called the Federal Court to redress the objectors through considering the appeals and complaints seriously, and added that the next government is up to immeasurable tasks, to mention some: provide jobs and services, and to start solving the outstanding issues that have become an enormous burden over the shoulders of the political system.
