

Sayyid Al-Hakeem calls to pay attention to Arabic, use it in scientific research

Sayyid Al-Hakeem, head of the National State Powers Alliance, called to pay attention to the Arabic language and require it in scientific research.

His Eminence tweeted on Saturday, 18 December 2021, “on the World Arabic Language Day we take pride in the features and rich history of the Arabic Language. Its heritage and roots are deeply entrenched in time. We’re proud of it as it is the bridge between the people of the world and civilizations.”

His Eminence stressed the necessity of paying attention to it, its grammar, and beauty and to broadly adopt and require it in scientific and academic researches.
