

Sayyid Al-Hakeem calls to study & address migration causes

Sayyid Al-Hakeem, head of the National State Powers Alliance, called to study immigration causes, address them and establish proper solutions.

His Eminence tweeted on 18 December 2021 on the International Migrants Day and how it presents an opportunity to invite the international community and all political and academic events to address the causes of migration in Iraq and to find proper solutions, especially in Iraq that's witnessing numerous cases. The last of which is the issue of stranded citizens on the Belarussian borders during these harsh weather conditions.

His Eminence called the relevant authorities to act upon ending migration and called all Iraqi immigrants to return to their homes voluntarily.
