Sayyid Ammar Al-Hakeem, head of the National State Powers Alliance, saluted the Iraqi Army on their 101st army day.

"On its 101st year, a salute to our heroic Iraqi army, the wall of the homeland, the perfume that fills the frontier, and the first bastion." His Eminence tweeted on 5 January 2022, noting that the sixth of January reminds us of those watchful eyes that embrace the long nights to mold safety from their blood for our genuine people.
