

Sayyid Al-Hakeem calls sons of Al-Hikma to serve Diwaniyah's people without discrimination

During his visit to Diwaniyah Province, we had an extensive meeting with the organizational leaders of Al-Hikma National Movement on 22/3/2022, and His Eminence illustrated in his speech the importance of serving one another between the sons of Al-Hikma, stressing at the same time the importance of providing services to citizens without regard to political affiliation, adding that serving and investing in the status of the Movement in achieving the demands of the public according to the available capabilities is the philosophy of Al-Hikma and the criterion for evaluating its Sons.

His Eminence emphasized patience when in adversity while saying that opportunities are born out of challenges, the assignment does not fall to anyone and everyone is responsible for their positions, size, and influence, stressing internal cohesion and the importance of doubling efforts in support of the National project of Al-Hikma, and the necessity that the movement is in the service of the national project and the establishment of a just state that everyone aspires to.
