

Sayyid Al-Hakeem praises popular mobilization role to maintain security, calls for training continue, more institutionalization

During his tour in Al-Diwaniyah Province, and on its second day, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, had a stand with the office of the Popular Mobilization Authority in the province on 23/3/2022 and said in his speech that what distinguishes the Popular Mobilization is that it was established in the light of the defensive jihad fatwa of the supreme religious authority without consideration to privileges and even rights, expressing his gratitude and appreciation for the sacrifices made, calling for their documentation and turning them into a track record of great stories that can be accessed and recognized by future generations.

His Eminence stressed the importance of the Popular Mobilization for Iraq, considering it a strategic guarantee for Iraqi security, calling for the continuation of ideological, cultural, and military training and courses, stressing institutionalization accompanied by a high spirit of morale and sacrifice.
