

Political scene development discussion: The opinion committee holds its periodic meeting headed by Sayyid Al-Hakeem

The opinion committee of Al-Hikma National Movement held its periodic meeting, headed by Sayyid Al-Hakeem and they discussed the agenda's topics on 28/5/2022, which included the developments of the political scene in Iraq and the region, the movement's reality, and the upcoming huge campaigns that await it in the upcoming phase in sustaining its project and communicating with the public.

Regarding the Iraqi political affairs and its developments, His Eminence expressed his regret at the continuing state of the political impasse that the country is going through and the disruption to the interests of citizens, as he clarified in this context the importance of adopting the initiatives that are proposed and adopting the possible ones, and the necessity of giving priority to the public interest over private interests.

Regarding the Movement, His Eminence said the importance of building bridges with everyone and communicating with all parties, and the importance of investing wisdom in all its relations in converging the views closer so that the Iraqi people can enjoy their wealth and end the state of political impasse that is now pressuring more than one joint.

Regionally and internationally, H.E. renewed the emphasis on the need to end crises through dialogue and finding the commonalities. H.E. also said that food security is one of the challenges facing Iraq and the world, and the developments of the crisis must be taken into account and food security should be achieved according to the actually required need in a way that ensures its access to the beneficiaries and cut off the path for public money manipulators, taking into account the established legal contexts and the decisions of the Federal Court.
