

On the International Day of Peacekeepers: Sayyid Al-Hakeem calls to establish world peace, consecrate coexistence and love

Sayyid Al-Hakeem, head of Al-Hikma National Movement, urged all active regimes and institutions in the world to establish peace.

His Eminence tweeted on 29/5/2022, "On International Day of Peacekeepers, we urge the ruling regimes and religious, political, and media events all around the world to work hard to bring peace to conflict areas, consolidate the values of love among peoples, neutralize hate speech and extremism, and devote humanitarian foundations. The world that has been exhausted by wars, is in dire need of coexistence, love, and limiting disharmony."
