

Sayyid Al-Hakeem congratulates Iraq's children for achieving the highest ranks in the international mental arithmetic competition

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, congratulated the Iraqi children for their first place in the international mental arithmetic competition in Egypt.

His Eminence tweeted, "It is with great pride that the children of the homeland from various governorates have achieved the highest positions in the international mental arithmetic competition hosted by Egypt, where this achievement represents additional evidence that confirms the ability of the Iraqi people to achieve major achievements. We call on the concerned authorities to take care of the energies and leadership and potential capabilities of the new youth and enable them to serve the people and the country."
