

Sayyid Al-Hakeem calls to prepare Diwaniyah budget based on deprived proportions

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, called to consider the level of the deprived in Diwaniyah province and to prepare the budget according to the proportions of the deprived in addition to the number of the population in order to achieve justice and equity. During meeting Zuheir Al-Shaalan, the governor of Al-Diwaniyah governorate on 27/6/2022, His Eminence stated the importance of taking care of agriculture, supporting the province's farmers, paying their dues, supporting them with modern mechanization, fertilizers, and seeds, and raise the prices of the products marketed to the state, so that agriculture will turn into a profitable process that sustains the land, perpetuates the production process, and achieves food security. H.E. also stressed the importance of upgrading the service and urban reality in the governorate.
