

Sayyid Ammar Al-Hakeem calls to formulate an equation to include everyone, and a national service government to achieve aspirations

Sayyid Al-Hakeem, head of Al-Hikma National Movement, met with the Ambassador of the Russian Federation, His Excellency Elbrus Kutrashev on 14/9/2022, and discussed the developments of the political scene in Iraq and the region, the bilateral relations between Iraq and Russia, and the ways to strengthen them at all levels.

His Eminence affirmed the need to end the current political crisis and called on everyone to assume their responsibilities to end a crisis that is affecting the daily living reality of the Iraqi citizen. H.E. also stressed the need to formulate an equation that includes everyone and achieves the aspirations of the Iraqi people by forming a national service government capable of providing services and job opportunities.

H.E. illustrated that the political crisis is solvable, provided that the will to solve it is available and everyone compromises for the Iraqi interest. H.E. also emphasized the importance of initiating reform by supporting and strengthening institutions. H.E. added the importance of strengthening the state as a real guarantee to confront all political, social, economic, and security problems.
