

Sayyid Al-Hakeem to Electricity Minister: We commend achievements, but it does not meet ambitions

Sayyid Al-Hakeem, head of Al-Hikma National Movement, met on Wednesday evening 9/11/2022 with Minister of Electricity, His Excellency Mr. Ziad Ali Fadhil, and blessed the Minister with the confidence of the parliament, wishing him success in his mission, Stressing the importance of improving the realities of the electric power system, as well as commending the high level of production, H.E. said that, although it was important, it did not meet ambition.

Sayyid Al-Hakeem called to develop all sectors, such as production, transport, distribution, and taxation, the promotion of a culture of rationalization, the importance of involving the private sector, and giving it sufficient space to contribute to the provision of the service. H.E. stressed the sustainability of clean energy work and the diversification of its sources.
