

Sayyid Al-Hakeem calls for serious action to bridge the citizens and the political system gap

At the First Conference of the Second Session of the General Assembly of Al-Hikma National Movement on 12/11/2022, Sayyid Ammar Al-Hakeem, Head of Al-Hikma National Movement, illustrated the developments in the political and movement scenes, the nature of the changes in the previous phase and the role of Al-Hikma movement in dismantling the state of political impasse, noting the nature of the position of the Movement to not participate in the government, yet support it and work on making it a success. H.E. also valued the steadfastness and composure enjoyed by the sons of Al-Hikma and their role in resolving the impasse and achieving the formation of the Government.

H.E. called to sustain the efforts, reduce laxity, rely on Allah Almighty, get closer to Allah and work on his content through serving his loyal worshippers, and spare no efforts to achieve the best of results. His Eminence said that Al-Hikma has worked on putting out the fires, avoiding dangerous slippages, rationalizing the political tracks, dismantling the crises, and providing the most effective, meaningful, and calm solutions. Illustrating that these steps have cemented the political path and the principle of peaceful circulation of power and abiding by the law and constitutional paths.

H.E. also called to invest in the movement's strength, represented by its brilliant and honorable history, clear vision, depth of experience, consistency, and courage in the presentation of national attitudes. H.E. stressed the restoration of citizens' confidence in the political system and the creation of detailed and realistic plans to achieve tangible results, stressing the achievement of several objectives by strengthening Al-Hikma's national relations with other powers and investing these relationships in converging perspectives and emphasizing the visions and initiatives put forward by the movement to address crises and find solutions.

H.E. also stressed the intensification of the parliamentary effort and work on passing laws, calling on the representatives of Al-Hikma Bloc to communicate with people and open doors for their demands and complaint, communicate with social and religious fronts, and pay attention to issues of the larger social component and alleviate injustice from poor and disadvantaged

areas.

Concerning the movement, H.E. emphasized the unity of attitude, word, cooperation, internal servicing, the promotion of positive energy and productive institutional work, and step away from red tape and negativity. In addition to going into the field to serve our people, as service is the philosophy of Al-Hikma and its supreme goal.
