

Sayyid Al-Hakeem: “Providing services is the fastest way for citizens to regain trust in the political system”

Sayyid Al-Hakeem, head of Al-Hikma National Movement, Congratulated Mr. Khalid Kubian for winning the Chairman of Atta’s Movement and wished him success in leading the movement on 23/11/2022, reiterating the necessity of regaining the citizen’s trust in the political system and providing services as it’s the fastest way to achieve this goal.

H.E. reiterated his supporting position for Mr. Al-Sudani’s Government although not participating in it, and illustrated the factors of this government’s success represented in regional and international support, parliamentary coverage, security stability, and financial abundance.

H.E. stressed the importance of legislating laws that are in direct contact with the citizen and his interests and called for a legislative and oversight performance that can compensate for the previous stage and improves the government’s path in serving the people and their aspirations.
