

Sayyid Al-Hakeem calls to train education employees to match electronic and information culture

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, met several Director Generals of Education in Baghdad on 18/12/2022. His Eminence affirmed the importance of education in people's lives as it is one of the indicators of development. H.E. lauded everything that has been done by the educational family, even though we need many infrastructure necessities, and ambition is even bigger. H.E. also indicated the high intelligence rate scored by Iraqi students regionally and internationally. Moreover, H.E. called to provide constant training for the education faculty to be updated on the challenges of the stage, and the importance of developing teaching to harmonize with electronic and information cultures.
