

Sayyid Al-Hakeem calls Wasit's Al-Hikma leaders to familiarize people with their project, invite them not to succumb to waves of targeting and defamation

Sayyid Ammar Al-Hakeem, Chairman of the National Wisdom Movement, met with a large crowd of organizational leaders of Al-Hikma National Movement in Wasit governorate on 22/2/2023, saluting them for their steadfastness and standing in defense of their project, stressing the need to act exclusively to Allah Almighty and as a prelude to the divine Justice State by Imam Mahdi "may Allah hasten his appearance"

H.E. called for people to be introduced to the project of Al-Hikma and not to succumb to the waves of targeting and defamation, stating that the real projects were all subjected to the waves of targeting and defamation, foremost among which are the projects of messaging.

H.E. stressed the importance of grasping the occasions of the month of Sha'ban and the births of pure imams and the accumulation of these auspicious births reaching all the way to the birth of Imam Al-Hujjah, Imam Al-Mahdi "may Allah hasten his appearance", calling to learn from Ashura Al-Hussein and the leadership method and obedience that the relationship of Imam Hussein "PBUH" possessed with his companions and his household "PBUT".

H.E. stressed the importance of adhering to moderation and centrism and pointed out that the approach of centrism, which was a frowned upon approach of the sons of Al-Hikma, is now a behavior of most political powers. And this on its own is a victory for Iraq and its people.
