

Sayyid Al-Hakeem: the Holy Quran called Israel, Noah, Lot people with darkness, regardless of sins type

On the fifth Ramadan lecture on 3/4/2023, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, continued his speech on the Rights Letter of Imam Zayn Al-Abidin bin Ali bin Al-Hussein "PBUT" and went on the right of hand and the sins of its acts, including injustice. His Eminence illustrated that the unjust have many testaments in the Holy Quran. The Quran described them as details and themes on one hand, and as individuals and groups on the other. H.E. indicated in the previous lecture the description of the Holy Quran of Qaroon (Croesus) as unjust due to his evil doings and sins.
