

Sayyid Al-Hakeem: thievery is stealing other's money, gateway for human murder

In the 9th Ramadan lecture on 9/4/2023, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, continued his speech on the letter of Rights of our Imam Zayn Al-Abidine Ali Bin Al-Hussein "PBUT", and spoke of the metaphorical meaning of the hand and the effects of deeds whether good or bad.

His Eminence said that one of the implications on hand is injustice and ended on the punishments mentioned in the Holy Quran on the unjust, groups or individuals, illustrating in this lecture that deprivation of guidance, leadership, punishment reduction, and ban from intercession is the punishment designed for the unjust according to several texts from the Holy Quran.

H.E. indicated that one of the effects of hand is thievery and that it is stealing other people's money. H.E. pointed out the legitimate text and narrative that indicates that it deprives the believer of faith and is a prelude to murder, it also results in corrupted money and will prevent trade and industry if it proliferates society.

H.E. also pointed out the nature of limits and said that limits have conditions that are almost crippling, indicating its philosophy to deter and prevent, not retaliation and mockery.
