

Sayyid Al-Hakeem meets Bastamly people, calls to return to their villages with compensation

In the capital of Iraqi diversity, Kirkuk of love and fraternity, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, met several people from the village of Bastamly of Tuzkhurmatu. His Eminence expressed his regret towards the persistence of the displacement file in some areas, stating that Bastamly was one of the victims of the terrorism targeting our country, calling to address the crisis of displacement through reparations so that the sons of Bastamly and others can rebuild their villages. H.E. also pointed out that the credit goes to Allah Almighty first and second to the fatwa of the Supreme Religious Authority, which confused the vision of terrorism as Iraqi territory was liberated from their defilement.
