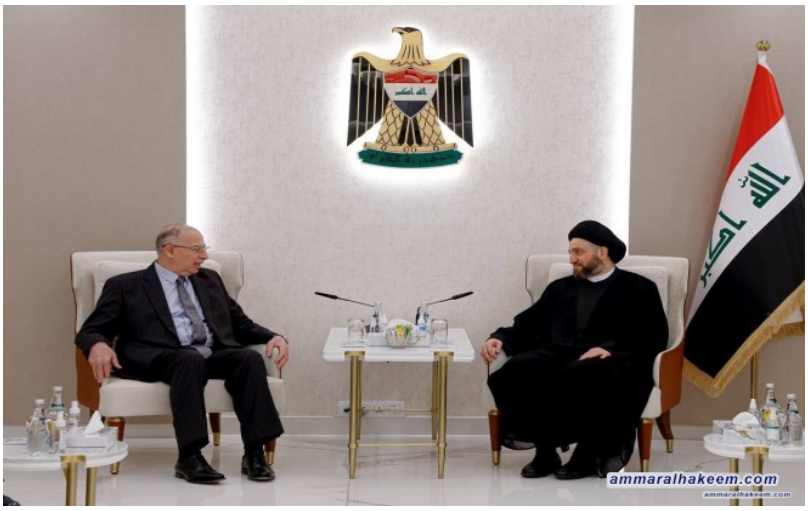
Sayyid Al-Hakeem discusses Mosul’s situation, to support Al-Sudani’s government with Al-Nujaifi



Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, met Mr. Osama Al-Nujaifi and his accompanying delegation on 22/7/2023, and discussed the developments of the political scene in Iraq and the region and ways to support the government to achieve stability, implement its program, and priorities of services and job opportunities, stressing the need to maintain stability to start the reconstruction of liberated cities, especially the city of Mosul, holding everyone responsible for maintaining stability in order to compensate its people for the difficult security reality it has experienced.

His Eminence stressed the importance of the upcoming elections, calling for competition on the basis of programs and service away from rivalry and political motivation, pointing out that the provincial councils are service councils and the performance of the competing blocs must be a service performance according to specific programs and timings.

Security-wise, His Eminence stressed the importance of social treatment for the liberated areas, pointing out that security treatment is a necessity, but it is part of a package of treatments that must be provided, including social treatment, decongestion, and economic treatment by maximizing imports and improving the economic environment.
