

Sayyid Al-Hakeem congratulates KDP's establishment anniversary

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, congratulate the Kurdistan Democratic Party and tweeted on 16/8/2023 “We congratulate the leadership and supporters of the Kurdistan Democratic Party, especially the dedicated leader Mr. Masoud Barzani, on the 77th anniversary of its establishment. This anniversary is marked by a long struggle against dictatorship, which, alongside national powers, culminated in the democratic process following the year 2003. We hope that this occasion serves as an opportunity to strengthen and enhance national unity in the Kurdistan Region and Iraq, and to work towards finding appropriate solutions to the outstanding issues between the regional government and the federal government in accordance with the constitution.”
