Sayyid Al-Hakeem: Maysan’s Development Requires Working as One Team, Integrating Government Efforts

His Eminence Sayyid Al-Hakeem, Head of the National State Powers’ Alliance, received Maysan Governor Mr. Habib Dhahir Al-Fartousi and listened to a brief presentation on the governorate’s political, services, and social situation and the challenges facing its work.

H.E. renewed emphasis on the importance of advancing the services situation and accelerating the completion of stalled projects in various sectors, in a way that meets the aspirations of citizens and eases their suffering.

H.E. praised the efforts made by the local government, calling for continuing to work as one team and coordinating with the federal government and the relevant parties to overcome the obstacles facing the implementation of services and development programs, and ensuring the governorate receives its fair entitlements.

H.E. stressed the need to pay attention to districts, sub-districts, and areas far from the center, especially agricultural ones, in addition to making optimal use of the governorate’s resources and potential.

H.E. also stressed the importance of maintaining security stability and societal peace in Maysan and strengthening cooperation among the various political and societal parties, in a way that serves the interest of the governorate’s people.
